# T-Leader

*The best projects are made for real leaders*

## >>What is?

It is a hybrid **community of entrepreneurs, startups, corporates, investors, and other partners** to create value to the innovation Ecosystem linked to La Salle Technova Barcelona.

## >>What do we offer?

- Boost your **visibility** in our regular startup's forums and global networks
- **Growth your project** with our T-Programs
- **Get insights from our La Salle research groups** focused on advanced technologies to improve your solutions
- **Meet other founders** of our community and share your challenges and opportunities
- Access to our **Business Angel Network**, EIX Technova
- Regular DemoDays in front of investors
- Take advantage and contact our Alumni Network
- Access to the **best mentors**
- **Meet corporations** that are looking for innovative solutions for their challenges
- Be inspired by our experts, partners, mentors, and collaboration to be a leader.
- And network, network, **network**

## >>Who can be a member of our community?

- Entrepreneurs/ **startups** that want to boost their growth and be leaders in their industry
- **Investors** who are looking for the best leader technology-based projects to invest
- **Corporates** who want to speed their innovation through disruptive startups' innovation
- Partners who want to increase value to the startups' community
